

Orion Registrar, Inc.
Thorough and Fair Auditing

Certificate of Certification

This is to certify the Quality Management System of:

Ensign Power Systems, Inc.
2175 Citrine Court
Loveland, CO 80537 USA

Has been assessed by Orion Registrar and found to be in compliance with the following Quality Standard:

ISO 9001:2015

The Quality Management System is applicable to:

Ensign Power Systems provides custom power supply products and solutions through the product development process of design, prototype, test, qualification, analysis, and manufacturing of custom power products. We provide both electrical and mechanical designs to ensure appropriate solutions to satisfy our customer's needs and requirements

The Certification period is from

February 25, 2022 to February 24, 2025

This certification is subject to the company maintaining its system to the required standard, and applicable exceptions, which will be monitored by Orion.
